2021 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

Woodbridge Township FD No. 5

FISCAL YEAR: January 1, 2021 to December 31, 2021

Answer all questions below using the space provided. Do not attach answers as a separate document.

1. When is the Fire District's annual election? (February and/or November) If November, was the resolution submitted to the Division?

February

2. Complete a brief statement on the 2021 proposed Annual Budget and make comparison to the 2020 adopted budget.

This budget continues to reflect an allocation for career firefighters (and benefits) as the district is finalizing its creation of a part-paid department. Over the past decade plus, the volunteer ranks have declined to an unacceptable level which raises concern with ensuring adequate fire protection services. The district engaged the services of a consultant to review where the fire department had been, where it is at, and where it is going especially since our district continues to grow with expanded industry and new housing. The district took efforts to retain and attract volunteers to little avail.

3. Explain any variances over +/-10% for each line item. Attach in FAST any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item.

The overall budget has increased \$300,240.00. As the district finalizes the process of becoming a part-paid department, multiple budget lines have needed to be adjusted to reflect proper budgeting. This year Salaries & Wages and Fringe Benefits in all three areas have seen significant increases. These increases reflect a need for additional staffing in the Career Fire Department and Administration. Due the aforementioned expansion in industry and new housing, we are seeing a significant increase in Uniform Fire Safety Revenues.

4. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation, the use of the Restricted and Unrestricted Fund Balance(s) and how they are complying with the Property Tax Levy Cap. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

The District utilized the allowable 2% increase on the amount to be raised by taxation. \$478,772.00 of Fund Balance was utilized which has increased \$236,175.00 from last year. The District has made it a priortity to take a conservative approach towards its Fund Balance allocation. Due to the increase in Fire Fighter staffing the district had to anticipate more than usual.
